Bibliography Tips

- **Use the term *Bibliography* for your final list of bibliographic entries. Other terms such as *References* or *Works Cited* are not acceptable.**
- **Bold the title, center it, and begin a new page with normal page numbering.**
- **Use a one-half inch hanging indention.**
- **Use single-line spacing between (or 12-pt. line spacing after) entries.**
- **Only cite sources directly referenced in the body of your paper. Do not cite works that have only been consulted. For every reference there should be a footnote and vice-versa.**
